

Progetto finale di ripasso - Livello 3 Spring 2015

Durante questo anno scolastico hai studiato vari argomenti come **il lavoro, i viaggi, la salute e gli stili di vita**. Ci sono state spesso delle discussioni durante le quali dovevi esprimere la tua opinione, descrivendo una situazione.

Organizza il tuo progetto presentando alcuni aspetti degli argomenti trattati e paragonando la situazione in Italia e negli Stati Uniti. Usa il tuo libro ma anche i blendspace e questi siti web:

salute

Your project can be very artistic, but you should focus more on using linguistic structures and vocabulary studied in three years.

Plagiarism will not be tolerated and you will receive a zero if you use an online translator (why would you anyway? You can use your book, Wordreference, the websites, and you can also work at your project during lunch in my classroom and receive help for it!).

You must have a short essay of about 100 words for each part of the project.

Your project must be handwritten.

Recycled materials to display your work will be accepted and are actually recommended. (Save the planet, get a better grade!!)

Write simple sentences, but make sure your final product is not only correct, but also entertaining (as you prefer, just make sure it really shows yourself).

Final deadline: May 15th
